JAIPURIA INSTITUTE OF MANAGEMENT INDORE

ACADEMIC RULES AND REGULATIONS & ASSESSMENT & EXAMINATION POLICY (2024-26)

Academic Rules and Regulations (Batch 2024-26)

Induction Program

The PGDM programme starts with an induction programme, which spans over a period of 10 days for the new batch of students. Students are made aware of the vision, mission, and the value system of the institute through a series of interactions with them. The programme helps the students in understand the ecosystem of the institute, and it sets the ball rolling in the right direction at the necessary pace. Students are made aware of how the two-year management programme at Jaipuria Indore is quite different than their earlier forms of education. The students are exposed to the academic rigor needed for the programme, along with the fact that such interaction helps in expectation settings for the students.

Foundation Course - Since students are joining the PGDM programme from various educational backgrounds (such as Commerce, Humanities, Management, Engineering, Medical, etc.), there is a need to conduct sessions on various subject and topics to provide a level playing field for all the students. The foundation course helps in developing a basic level of understanding of the core courses and programme they are about to pursue in the field of management.

Therefore, the institute organizes sessions in the following areas as part of the foundation course:

i. Elementary Mathematics and Statistics

ii. Fundamentals of Accounting

iii. Working with Spreadsheets

iv. Basic Economics

v. Essentials of Communication Skills

Registration by PMC

i. Registration for First Year

Day one of the induction programme is designed to help students in complete the first-year registration process. The programme Management Centre (PMC) notifies the registration date and venue through correspondence with the students who are admitted to the programme. The students are required to register at the programme Management Centre (PMC) on the registration day of Term/Trimester I, and produce the original certificates of their academic qualification, establishing their eligibility for the PGDM programme, for necessary verifications. Further, they are required to submit the photocopies of the supporting documents relating to their academic qualifications and work experience (if any) with the PMC. Students who have not been issued a final mark sheet/certificate of passing the qualifying university examination, by the time of registration for the PGDM programme, may submit the same before the deadline (usually set by AICTE for the session 2024-25). If a student fails to submit the mark-sheets and/or does not meet the eligibility requirements by the said date, it would automatically invalidate his/her admission along with the claim for a refund of the PGDM programme fee.

ii. Registration for Electives

The elective courses are announced in the second trimester of the first year, to facilitate the pre-registration in courses of the chosen specializations. In response to the due notification for the purpose of selecting electives, all students are required to do the online submission of their choice of electives, using their dashboards/ or as directed by the PMC. After a student registers for set of elective courses, no further changes are allowed. In order to facilitate students taking an informed decision about their choice of elective courses, the respective academic area faculty members make presentations before the assembly of students, on the elective courses they are offering. The schedule for the presentation is notified by PMC. Students are free to study the elective courses of their choice, from the pool of elective courses offered in the areas of chosen specializations. The minimum number of student enrolees required for an elective course is 18. If the subscription falls below 18 students, it is not offered, and students registered for such courses are asked to re-register for other courses. The institute may also decide not to offer a course in a particular term or otherwise, in case of unavoidable constraints it might face.

Academic Integrity

Students of Jaipuria Institute of Management, Indore, are expected to display academic integrity and refrain for plagiarizing and falsifying in preparation of their assignments, project reports, and summer internship reports. Exam Schedule and Notification

The Office of Controller of Examination prepares and publish a schedule of examinations (Mid-Term and End-Term) for each and every course conducted by the institute.

Grading System

i. The grading system is based on concurrent evaluation system with sufficient freedom given to the course instructor in deciding the pattern of evaluation. Numeric marks are awarded to each of the evaluation components. The total score is obtained by taking the weighted average of the numeric marks of the various components as specified in the course outline. The total marks thus received are converted to a letter grade, based on the relative performance of the students. The letter grades are on a 10-point scale with the grade 'A+' being the highest and 'F' being the lowest or fail grade. Each letter grade has a grade point associated with it. The grading model is described in table 3.2.

ii. Trimester Grade Point Average (TGPA): The performance of a student in a particular trimester is measured by Trimester Grade Point Average (TGPA), which is a weighted average of the grade points secured in all the courses taken in a trimester and scaled to 10. TGPA is computed up to two decimal places.

Example: Suppose a student is registered for four 3-credit courses and two 1.5-credit courses during a trimester (that is, total of 15 credits), and he/she secures A, B+, B, C+, A+, C grades respectively in the particular courses, his/her TGPA is computed as follows:

$$TGPA = \frac{9x3+7x3+6x3+4x3+10x1.5+3x1.5}{15} = \frac{97.5}{15} = 6.50$$

iii. Cumulative Grade Point Average (CGPA): Cumulative Grade Point Average is computed up to two decimal places, taking into account the performance in all the courses subscribed by a student up to the trimester for which the results are last available.

iv. Conversion of numeric marks to letter grades: Course instructors consider the following points while awarding the letter grades.

a. A student who scores less than 35% numeric marks (overall) is given an 'F' grade in the course.

b. The cut off numeric marks for all other grades (other than F, FA and I grades) is decided by the course instructor based on the distribution of numeric marks in the course and the overall performance of the class.

c. Maximum grade drop can be done till "D" grade in case of any sub grading.

TABLE 3.2: Grading Model

Letter Grade	Grade Point	Remark
A+	10	–
A	9	–
A-	8	–
B+	7	–
B	6	–
B-	5	–
C+	4	–
C	3	Eligible for Improvement Examination (with upper limit of B+ on final grade)
C-	2	Eligible for Improvement Examination (with upper limit of B+ on final grade)
D	1	Eligible for Improvement Examination (with upper limit of B+ on final grade)
F	0	Eligible for Improvement Examination (with upper limit of C+ on final grade)
FA	0	Eligible for Improvement Examination (with upper limit of C+ on final grade)
I	0	Awarded in case of absence from the End-term examination if the decision on final grade is pending

Conversion of CGPA into Percentage of Marks

Jaipuria Institute of Management follows a combination of absolute and grading systems that are based on concurrent assessment. Numeric marks are awarded in each of the assessment components of a course. The total numeric marks of a student in a course are computed by taking the weighted average of numeric marks of various assessment components as specified in the course outline. The total numeric marks thus computed are converted into a letter grade. Letter grades and the corresponding grade points are given below:

Letter Grade =>	A+	A	A-	B+	B	B-	C+	C	C-	D	F
Grade Point =>	10	9	8	7	6	5	4	3	2	1	0

The course faculty abides by the following guidelines while converting numeric marks into letter grades:

A. A student who scores less than 35% numeric marks in a course is awarded an 'F' grade.

B. The cutoff numeric marks for other grades is decided by the course faculty, considering the distribution of numeric marks in the course and the overall performance of the class, subject to the following restrictions:

i. At least 10% of students in a course must be awarded C+ or lower grades (i.e., C, C-, D, or F grades).

ii. Total 'A' grades (including A+, A and A- grades) cannot exceed 20% of students in a course.

In view of the blended grading system and imposition of the maximum limit on 'A' grades and minimum requirements on C+ and lower grades, it is to be construed that a CGPA of 5.00 is equal to 60%. Hence, the formula for conversion of CGPA into Percentage of marks is as follows:

Percentage of Marks = 60 + [8 × (CGPA – 5.00)].

Repeat Examination

(i) Repeat Examination will be held within 15 days of declaration of the Provisional (Pre-Improvement Examination) Trimester Result. Normally, Repeat Examination shall be combined with the Improvement Examination mentioned under 3.8.

(ii) No fee is charged for appearing in a repeat examination.

(iii) Repeat Examination is held only for End-Term examination. Those students who could not appear in End-Term examination may be permitted to appear in repeat examination subject to the conditions laidout below. Reasons for missing the End-Term examination of one or more course(s) during a trimester may include:

a. Student's participation in his/her own placement process.

b. Being on duly-approved official/institutional duty.

c. Personal reasons such as major sickness of self, death in close family, etc.

(iv) In case of 3.7(iii)-l(a) and (b) above, the student has to submit written application, duly endorsed by the concerned faculty/task head, to the Program Chairperson within 7 calendar days of completion of the End-Term examination. Subject to approval from the Director, such students are permitted to appear in the repeat examination. Otherwise, the 'permanent F' grade awarded to the student in the course in accordance with section 3.4.3 (ii) stands.

(v) In case of 3.7(iii)-(c) above, the student has to represent his/her case in writing to the Program Chairperson along with supporting documents within 7 calendar days of completion of the end- term examination. Program Chairperson puts up the case before the Program Committee. The Program Committee examines the case to assess its merit/genuineness. If satisfied, the Program Committee, subject to approval from the Director, may allow the student to appear in repeat examination. Otherwise, the 'permanent 'F' grade awarded to the student in the course in accordance with section 3.4.3 (ii) stands.

(vi) If a student does not appear in the repeat examination permitted under the section 3.7 (iii) or 3.7 (iv), the 'permanent F' grade awarded to him/her in the course in accordance with section 3.4.2 (ii) stands.

(vii) Normal grade drop due to attendance criterion is applicable to repeat examination.

Improvement Examination

i. Improvement Examination will commence within 15 days of declaration of the Provisional (Pre Improvement Examination) Trimester Result.

ii. If a student gets 'C-'or 'C' or 'D' or 'F' grade in any course in a trimester, he/she is eligible for Improvement Examination in the concerned course. However, a student can appear in Improvement Examination of maximum of 3 courses (per trimester) of his/her own choice

iii. In case a student gets an 'FA' grade in more than two subjects then under these circumstances the student is allowed to appear in the Improvement Examination for anyone of the courses.

iv. The student appearing in the Improvement Examination of a course has to surrender his/her grade obtained on the End-Term examination. The grade obtained by him/her after the Improvement Examination is his/her permanent grade.

v. OCE notifies on the official batch email-ids the list of eligible students for Improvement Examination along with the timeline for submission of written application and the requisite fee.

vi. For appearing in Improvement Examination, a student has to submit written application and deposit a fee of Rs. 2500/- per course on or before the timeline notified by the OCE. Fee for Improvement Examination in case of FA grades is Rs. 2,500/- (proposed) per course.

vii. OCE announces the schedule of Improvement Examination.

viii. If a student does not apply and/or submit the requisite fee for Improvement Examination on or before the due date or does not turn up for the Improvement Examination after submission of fee, it is assumed that he/she is not interested in appearing in the Improvement Examination.

ix. Only one chance of appearing in Improvement Examination of a course is given.

x. If a student appears in Improvement Examination of a course, the Mid-Term and End-Term marks originally obtained by him/her is treated null and void.

xi. The marks scored in Improvement Examination is scaled up to the combined weightage of Mid-Term and End-Term components of the respective course (i.e., 60%). The resulting weighted marks are added to the marks originally scored in continuous evaluation components to arrive at the final grade.

xii. Grade obtained by a student in a course after the Improvement Examination is considered as final and 'permanent' grade in the course. If a student does not apply/appear for Improvement Examination, the original grade obtained by him/her in main/repeat examination is treated as final and 'permanent' grade in the course.

xiii. TGPA obtained by a student after the Improvement Examination is treated as final and permanent' TGPA in the trimester. If a student does not apply/appear for Improvement Examination, the original TGPA obtained by him/her in main/repeat examination is treated as final and 'permanent' TGPA in the course.

xiv. Grade drop due to attendance criteria is not applicable in case of Improvement Examination but the highest grade that a student can earn in the Improvement Examination is B+.

xv. In case, a student appears in Improvement Examination due to 'FA' grade in a course, the upper limit of 'C+' on the final grade in the course is not applicable.

xvi. Responsibility of student to share his/her academic performance and related matters with his/her parents/guardian - It is responsibility of the student to regularly share his/her academic performance including results and notices issued by the institute with his/her parents/guardian.
